

## **INDEPENDENT AUDITOR'S REPORT**

### **TO THE MEMBERS OF GARWARE ENVIRONMENTAL SERVICES PRIVATE LIMITED**

#### **Report on the Audit of the Standalone Ind AS Financial Statements**

##### **Opinion**

We have audited the standalone Ind AS financial statements of GARWARE ENVIRONMENTAL SERVICES PVT LTD., ("the Company"), which comprise the Balance Sheet as at 31st March 2022, and the Statement of Profit and Loss, Statement of changes in Equity and Statement of Cash Flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) specified under section 133 of the Act, of the state of affairs of the Company as at March 31, 2022, and its profit, changes in equity and its cash flows for the year ended on that date.

##### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, and Shareholder's Information, but does not include the standalone Ind AS financial statements and our auditor's report thereon. Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **Responsibilities of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but, not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control systems over financial reporting and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- iii) The company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year.
- iv) As per information and records given to us, the company has not advanced any loans, guarantees and security during the year. Hence, the provisions of Sections 185 and 186 of the Companies Act are not applicable to the Company.
- v) In our opinion and according to the information and explanation given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits in terms of the provisions of Section 73 and 76 or any other relevant provisions of the Companies Act, and no order under the aforesaid sections has been passed by the Company Law Board or the National Company Law Tribunal in this regard in respect of the Company.
- vi) As per the information given to us, the company is not required to maintain Cost Records as specified by the Central Government under sub-section (1) of Section 148 of the Companies Act. Hence, reporting under clause 3(vi) is not applicable.

- vii) a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax, provident fund, income-tax, duty of customs, service tax, cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of employees' state insurance and duty of excise.
  - b) According to the information and explanations given to us, there are no undisputed amount that have not been deposited on account of any disputes in respect of statutory dues referred to in sub-clause (a).
- viii) As per the information given to us, There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
  - ix) a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.
    - b) As per the information and explanation given to us and as per the audited records of the Company, The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority
    - c) As per the information and explanation given to us and as per the audited records of the Company, The company has not taken any Term loans, and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
    - d) As per the information and explanation given to us and as per the audited records of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company.
    - e) As per the information and explanation given to us and as per the audited records of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries
    - f) As per the information and explanation given to us and as per the audited records of the Company, The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable
  - x) a) The Company has not raised any money by way of public issue (including debt instruments) during the year, hence, the clause 3(x) is not applicable.
    - b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
  - xi) a) To the best of our knowledge and according to the information and explanation given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
    - b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
    - c) As represented to us by the Management, there are no whistle blower complaints received by the Company during the year.
  - xii) The Company is not a Nidhi company. Hence, this clause is not applicable.

- xiii) As per information and records given to us, there have been no transactions with related parties during the year. Hence, the provisions of sections 177 and 188 of Companies Act are not applicable to the Company.
- xiv) a) In our opinion and based on our examination, the company does not have an internal audit system and is not required to have an internal audit system. Hence, reporting under Clause 3(xiv) (a) and (b) is not applicable.
- xv) According to the information and explanations given by to us, the company has not entered into any non-cash transactions with directors or persons connected with him

## **GARWARE ENVIRONMENTAL SERVICES PRIVATE LIMITED**

### **Note 1: Notes forming part of the Financial Statements - Significant Accounting Policies**

#### **1. Basis of Preparation**

##### **Compliance with Ind AS**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

##### **Historical cost convention**

The financial statements have been prepared on a historical cost basis, **Current non-current classification**

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

#### **2. Property, Plant and Equipments**

The Company has applied for the one time transition exemption of considering the carrying cost on the transition date i.e. April 1, 2016 as the deemed cost under IND AS. Hence regarded thereafter as historical cost.

All items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The company identifies and determines cost of each component/part of the plant and equipment separately, if the component/part has a cost which is significant to the total cost of the plant and equipment and has useful life that is materially different from that of the remaining plant and equipment.

Gains or losses arising from derecognition of tangible property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and loss when the asset is derecognized.

Depreciation in respect of Property, Plant and Equipments is provided on straight line basis in accordance with Schedule II of Companies Act 2013.

#### **3. Financial Instruments**

##### **Financial Assets**

##### **3..1. Initial recognition and measurement**

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognized using trade date accounting.

##### **3..2. Subsequent measurement**

### **3..2.1. Financial assets carried at amortized cost (AC)**

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### **3..2.2. Financial assets at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### **3..2.3. Financial assets at fair value through profit or loss (FVTPL)**

A financial asset, which is not classified in any of the above categories, is measured through FVTPL.

### **3.3. Impairment of financial assets**

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For Trade Receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognized from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

### **Financial Liabilities**

#### **3..1. Initial recognition and measurement**

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

#### **3..2. Subsequent measurement**

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

## **De-recognition of financial instruments**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

## **Impairment of Financial Assets:**

The impairment provisions for financial assets are based on assumptions about risk of defaults and expected cash loss rates. The company uses judgments in making these assumptions and selecting the inputs to the impairment calculation, based on companies past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

## **Income Recognition**

### **Interest income**

Interest income from debt instruments is recognized using the effective interest rate method.

### **Dividends**

Dividends are recognized in the Statement of Profit and Loss only when the right to receive payment is established.

## **4. Finance costs**

Interest and other borrowing costs attributable to qualifying assets are capitalized. Other interest and borrowing costs are charged to Statement of Profit and Loss.

## **5. Provisions and contingent liabilities**

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

## **6. Revenue Recognition**

Revenue is recognized to the extent it can be reliably measured and is probable that the economic benefits will flow to the Company.

## **7. Income tax**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are excepted to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are off set where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively

Minimum Alternate Tax credit is recognized as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

## **8. Earnings Per Share**

### **Basic earnings per share**

Basic earnings per share is calculated by dividing:

- The profit attributable to owners of the Company
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

## **9. Critical estimates and judgments -**

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results. Management also needs to exercise judgment in applying the accounting policies.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognized in the period in which the results are known/materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.
