

Garware-Wall Ropes Ltd's initiative to address critical care requirements of Wai residents

Pune : Garware-Wall Ropes, GWRL a leading global player in the Technical Textile segment has aided Geetanjali Hospital in setting up Wai's first Dialysis Unit and 'Coronary Care Unit' (CCU) as a part of the company's social responsibility efforts. The Dialysis Unit has been contributed in conjunction with the Rotary Club of Pune Westside.

Mr. Vayu Garware, Chairman & Managing Director, Garware-Wall Ropes inaugurated the 'coronary care unit' (CCU) on 9th September 2015. This was then followed by the inauguration of the dialysis unit at Wai by senior Rotarian IPDG Vivek Arhana.

A coronary care unit (CCU) is a hospital ward which specializes in the care of patients suffering from heart attacks, unstable angina, cardiac dysrhythmia and various other cardiac conditions that require continuous monitoring and treatment.

Garware-Wall Ropes believes that Healthcare forms a very critical part of any society and our

country's health care machinery and infrastructure has not been able to keep pace with its galloping demand, which has led to skewed access to healthcare facilities. GWRL is pleased to continue its support to the people of Wai by providing the much-needed Dialysis Unit and a CCU at Geetanjali Hospital which is trying to establish state of the art medical facilities for the Wai region.

Besides these healthcare initiatives, "Shri Ramesh Garware Sabhagruha" was also inaugurated at Lokmanya Tilak Sanstha.

This has been done with the support of Ramesh Garware Charitable Trust. Lokmanya Tilak Sanstha is a 140 year old establishment with a State of the Art Library having a collection of rare books. GWRL appreciates the efforts of Lokmanya Tilak Sanstha in promoting education enhancement

of local youth by providing a study room facility. The hall will be mainly used to run various initiatives for development of youth and culture.

Garware-Wall Ropes which has its manufacturing facility in Pune and Wai has undertaken CSR projects across sectors like education, healthcare, rain water harvesting, and skill development amongst others. Garware Bal Bhavan currently shelters more than 500 children whereas Abasaheb Garware College is known as one of the best colleges in Maharashtra.
